# About Us

**Modern Freight Company (MFC) is a reliable Freight & Logistics Company based in Dubai offering innovative logistics & transport solutions to companies worldwide.**

Since 1977, when MFC's business was established in the UAE and Qatar, MFC has evolved into a diversified and global provider of supply chain solutions. With over 230 employees across the region, we have serviced our customers in the most challenging environments, delivering precious cargo on time, with the utmost care. Headquartered in Jebel Ali Free Zone - Dubai, we have a trusted reputation in the Middle East region, and a strong partner network throughout Europe, America, Africa and Asia Pacific.

# Vision & Mission

## Vision:

To be our customers' trusted partner by delivering the solutions they need to succeed.

## Mission:

To be an integral part of the customer's journey, providing the highest standards of quality and value with personalised services and modern, customised technology.

## We focus on:

- Proactively finding and delivering solutions
- Helping our customers achieve success
- Building long-term relationships
- Using modern facilities and equipment
- Investing in technology that saves time and money
- Nurturing a culture of quality and creativity
- Providing continuous training and development for our people
- Ensuring our workspaces are safe and secure
- Being good corporate citizens
- Minimising our impact on the environment

MFC Group is part of the DUTCO Group which is Dubai's leading infrastructure developer with 20,000 employees in construction, manufacturing, hotel, leisure, freight, trading and oil & gas industries.

# Freight

With more than 4 decades of experience as a global operator, Modern Freight Company offers the flexibility through our world-class air freight, ocean freight, sea-air freight and LCL consolidation solutions to meet a variety of transit time requirements while allowing you to manage your transportation costs effectively.

## **Our Services:**

- Air Freight
- Ocean Freight
- Sea-Air Freight
- LCL Consolidation

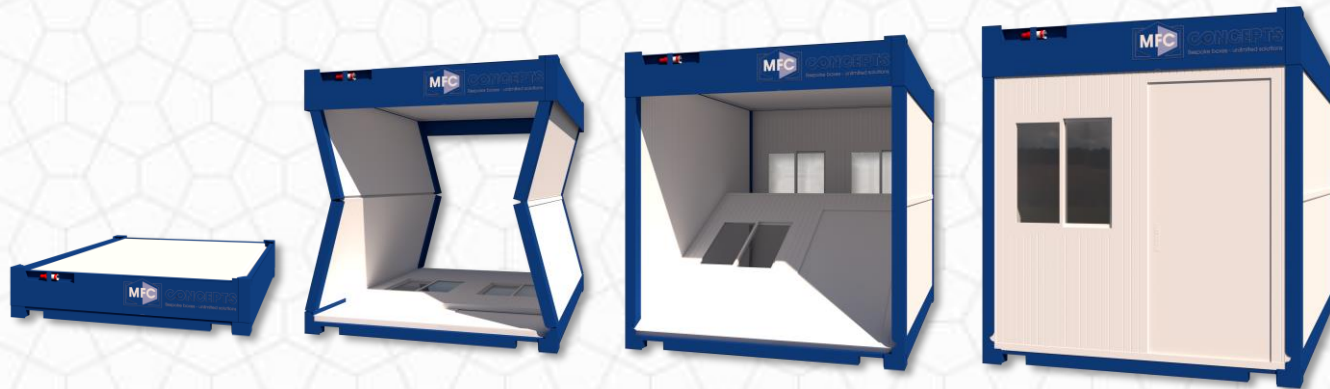

Operating from Jebel Ali Free Zone, Dubai International Airport and Doha, Qatar.

# MFC Extreme

Be it a sporting event or entertainment festival, smooth logistics is the key to its success. The ever-evolving rules and regulations demand expertise and a trusted partner who can handle not only your logistics but help you set up the event quickly and cost-effectively. MFC Extreme is the specialist division within the MFC Group, providing event logistics and modular solutions for all events across the GCC and internationally, through our network of specialist event partners.

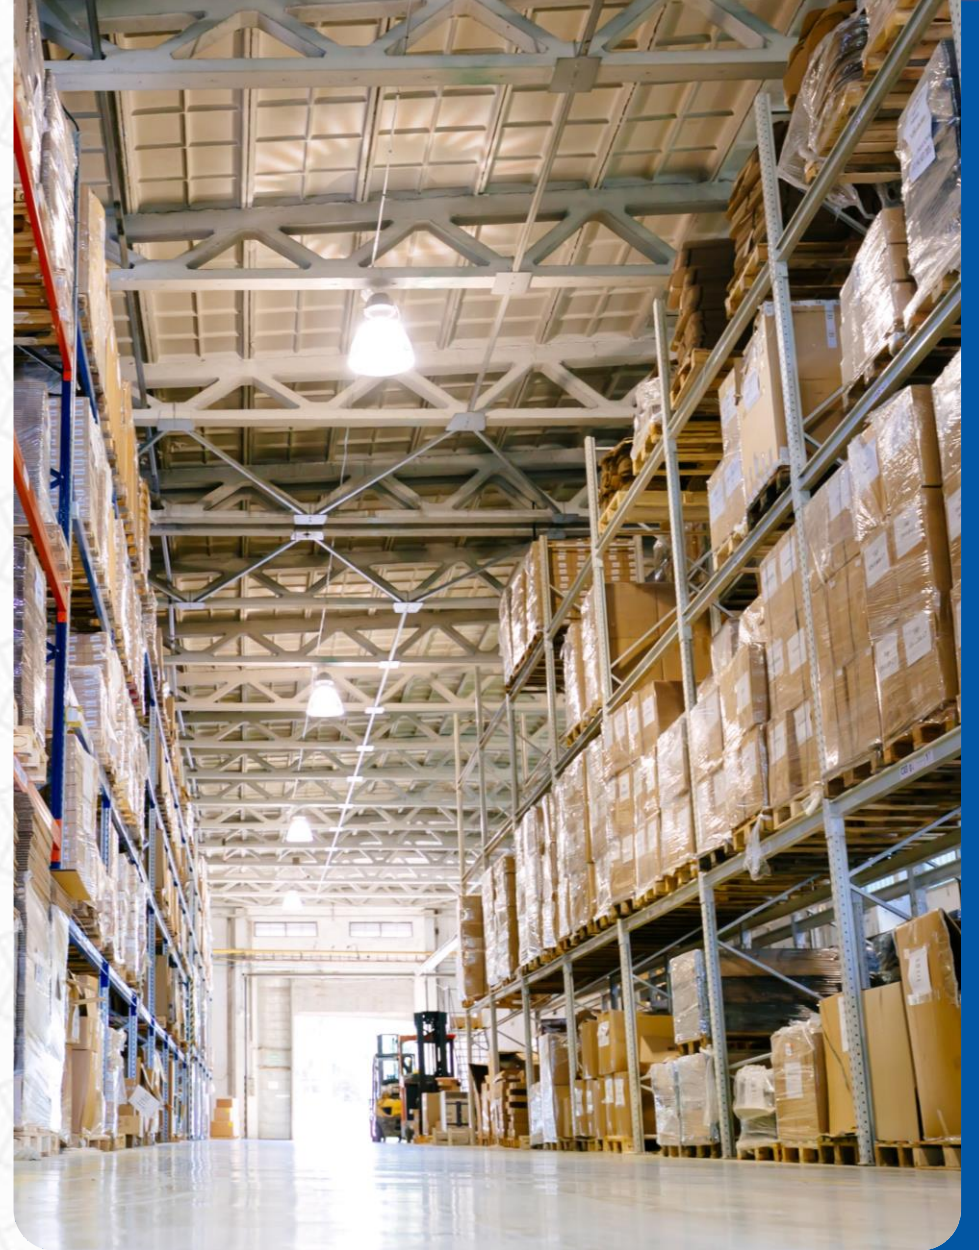

Modern Freight Company  
Your Trusted Partner

# Contract Logistics

Modern Freight Company offers a comprehensive range of warehousing & distribution solutions that can be combined with both traditional and unique Value-Added Services (VAS) to meet your supply chain needs. Our warehousing and distribution expertise is backed by our air, sea and land transportation services to optimise lead times and inventory levels, reducing your supply chain costs. Our own multiple state-of-the-art facilities are guarded by round-the-clock security and located close to Jebel Ali Port, Dubai World Central (DWC) Airport and Dubai International Airport, giving you fast and easy access to local, regional and global markets.

# Ecommerce

Modern Freight Company established our eCommerce division to guide our customers on the best way eCommerce can work for them, providing strategic advise on how to enter this growing space.

Data is the currency of the future and critical for eCommerce to succeed, and MFC can provide real measurable data to our customers so that forecasting procurement, keeping the minimum of stock, establishing correct price points and understanding customer habits, can all be used in making strategic decisions. Our total eCommerce solutions keep your supply chain costs low and your product moving smoothly so you can focus on growing your business.

# Our Facilities

Modern Freight Company  
Your Trusted Partner

Our three warehousing facilities have a total of 17,500 pallet rack positions and are well equipped with state-of-the-art firefighting systems, temperature controlled areas, and dedicated Value Added Services areas. Supported with 24-hour security, high definition CCTV and the latest warehouse management system and equipment, Modern Freight Company is ready to support your business.

# Information Technology

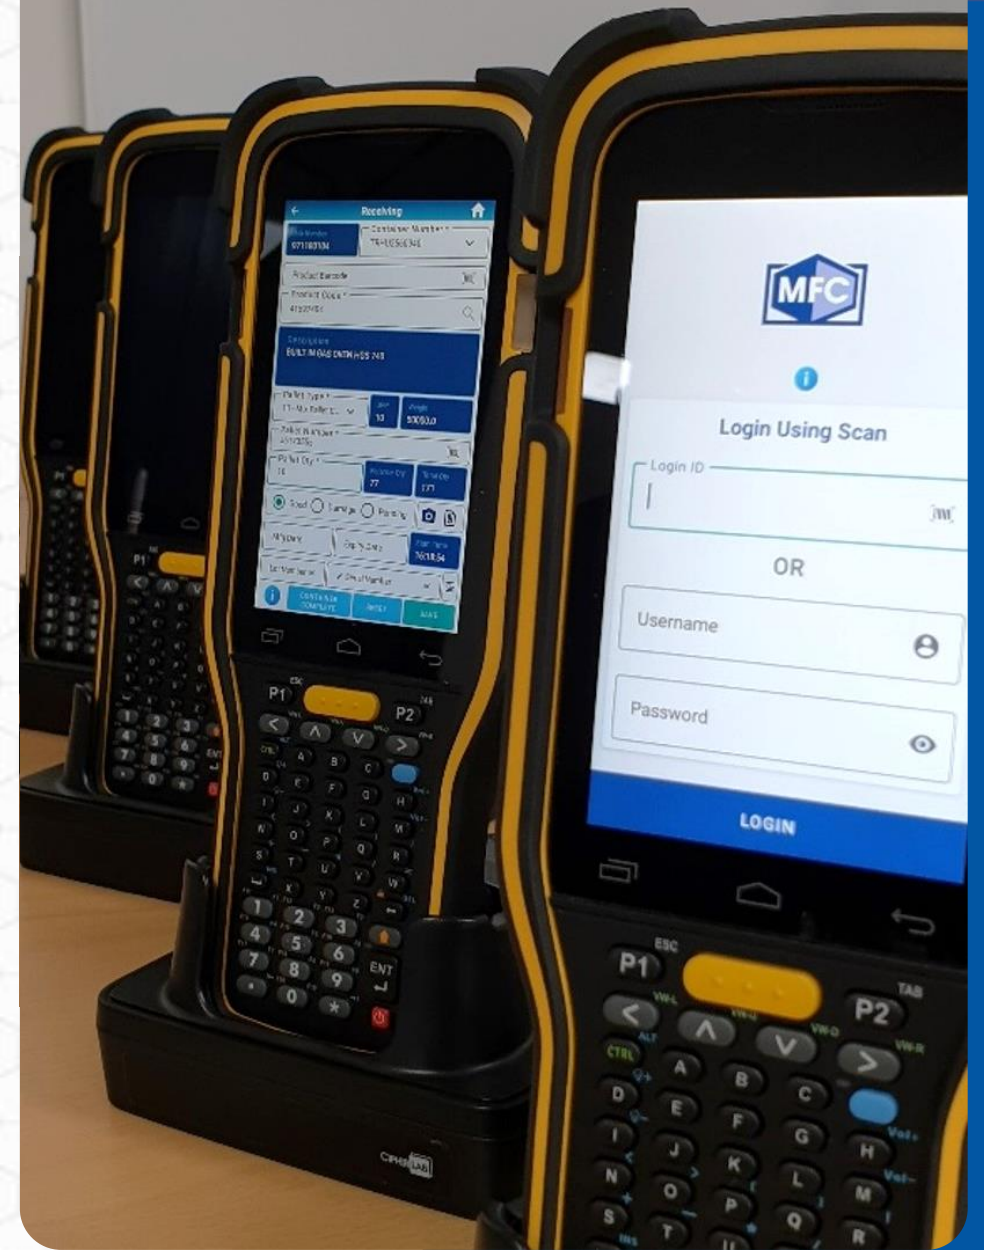

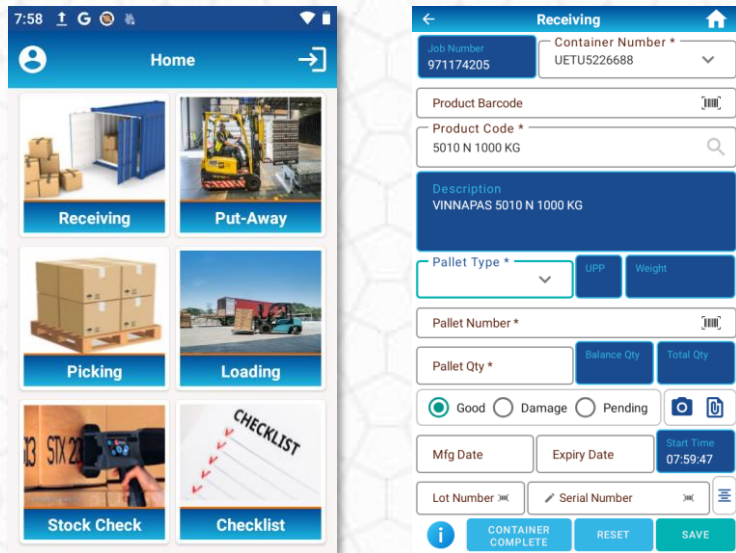

A robust and fast supply chain requires an advanced, flexible and scalable warehouse management and transport management framework to meet the continuously evolving demands of consumer trends. MFC Group uses a portfolio of custom-built technology and software that can be easily integrated into your business processes and systems, providing real-time information, and enabling a seamless, scalable, secure & efficient supply chain.

# Information Technology

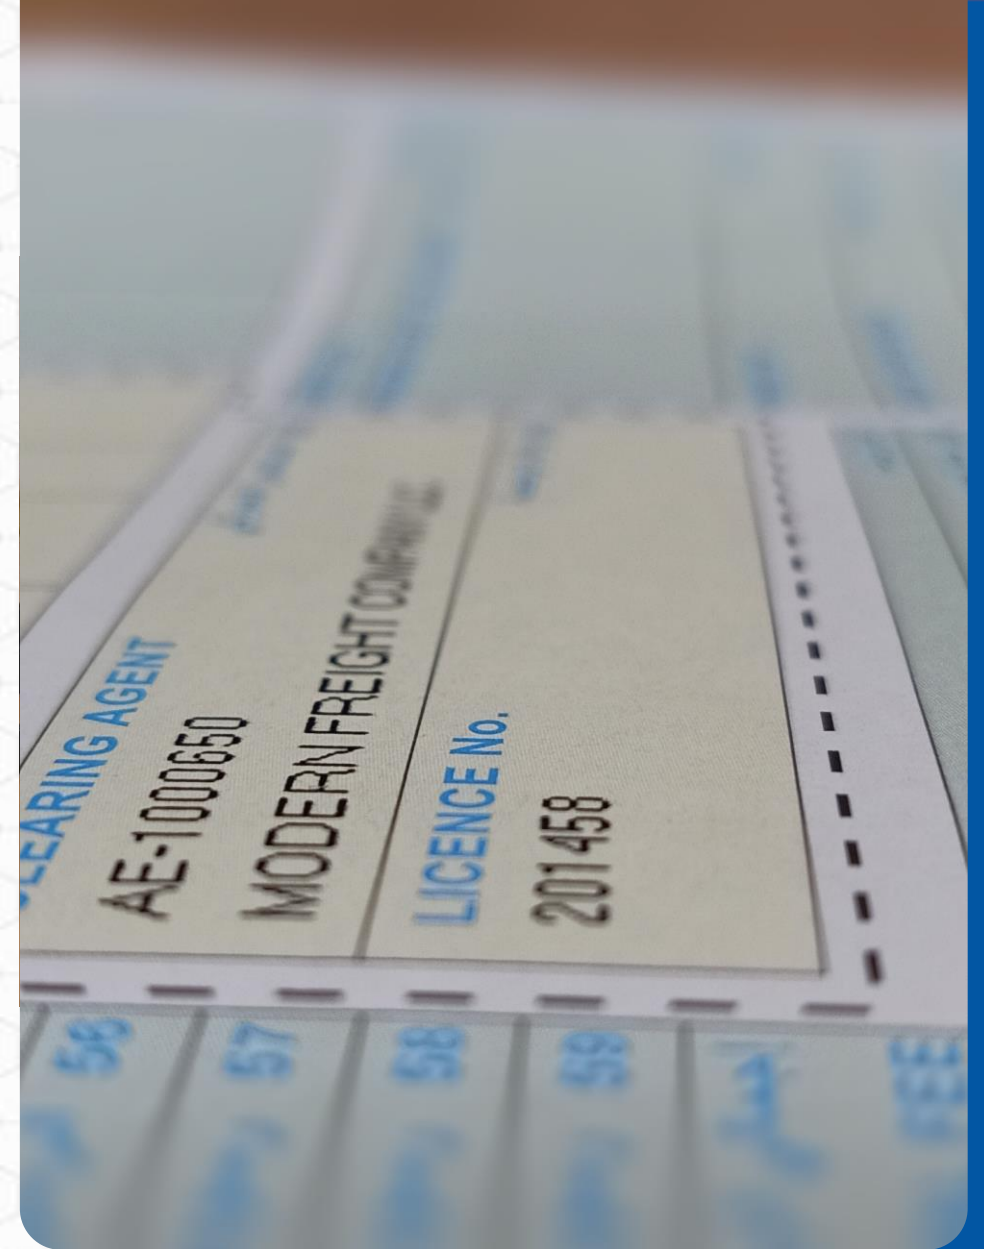

With our Warehouse Management System our customer can not only view, but also have complete visibility on the status of their stocks. Our customers can view their financial and operation documents, including Statement of Accounts through our Online Stock Tracking Portal.

# Information Technology

The Workflow Management System integrated with our Freight Forwarding System enables customers to view the real time flow of documents during the customs declaration process. It will also be directly integrated with Dubai Customs to provide the fastest and smoothest document declarations.

# MFC Concepts

In 1994, MFC Group, a part of the Dutco Group opened its first Container Depot. Initially, the business focused exclusively on storage, container handling, and some basic container repairs. Over time, with growing experience & competence, MFC Concepts evolved to handle more complex work – initially in basic container conversions, but ultimately progressing into highly engineered modular and off-shore units.

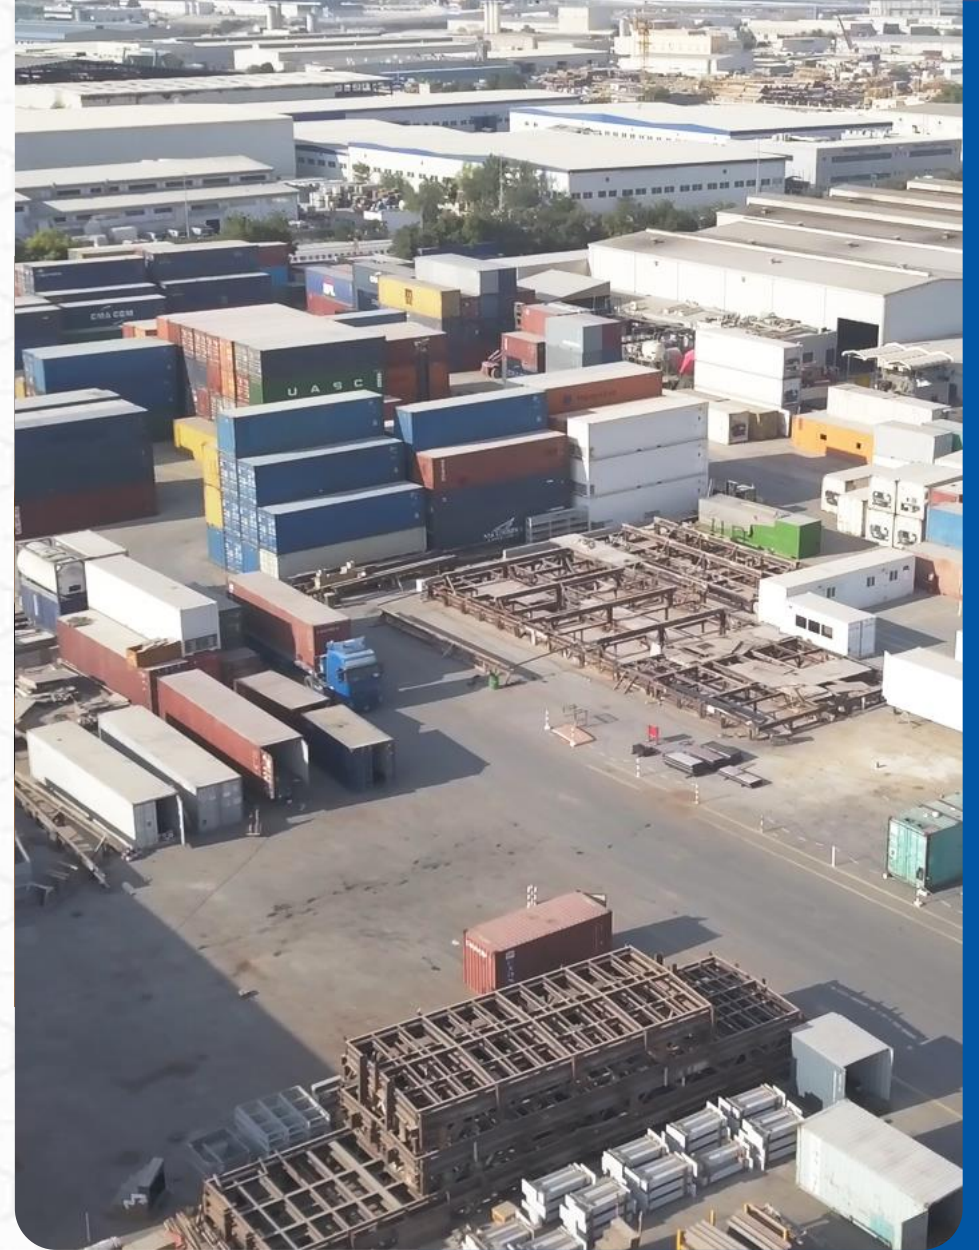

# MFC Concepts – Our Facility

## Dubai

Situated within 5kms of Dubai's main port (Jebel Ali), our 30,000 sqm depot is conveniently located for shippers, consignees and transporters to collect and deliver containers, without incurring additional costs and it is perfectly positioned with wide access roads for all sized modular projects to be transported for the most cost-effective solution.

Modern Freight Company  
Your Trusted Partner

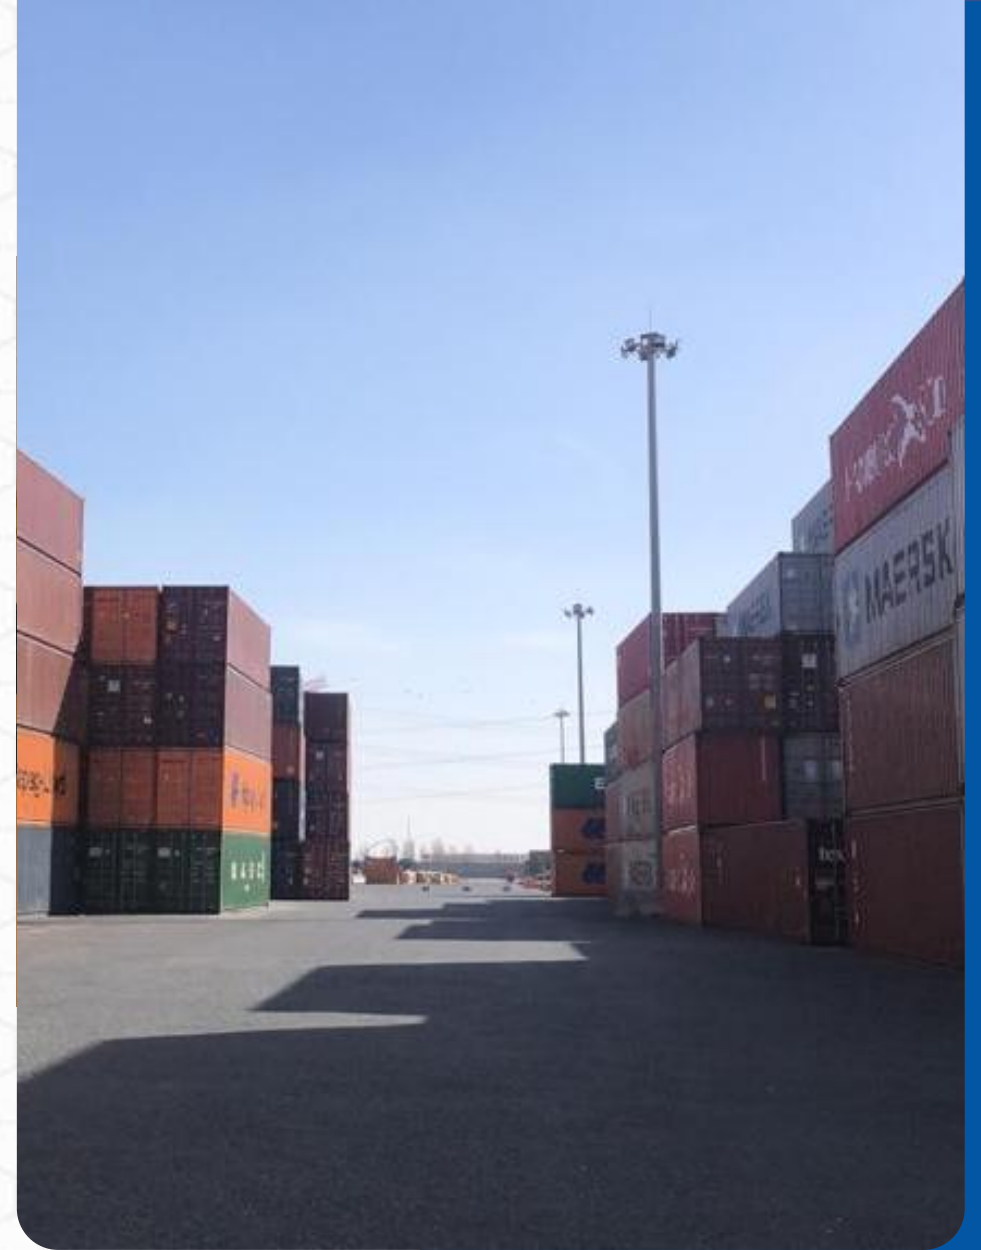

# MFC Concepts – Our Facility

## Qatar

Situated at Hamad Port in Qatar, covering 100,000 sqm, providing comprehensive container depot services, as well as modular fabrication and container conversions for all size projects in Qatar & the Northern GCC.

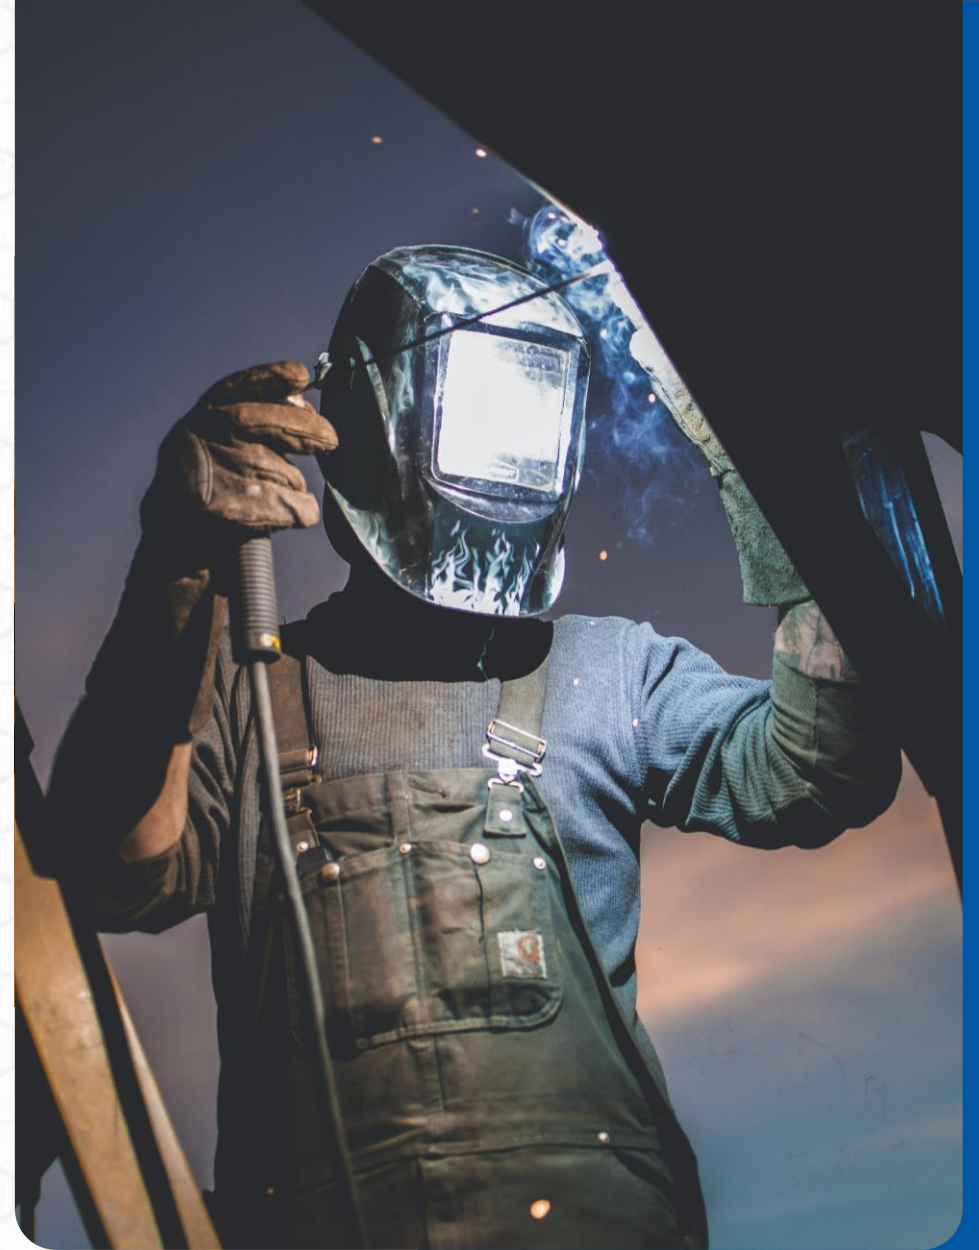

Modern Freight Company  
Your Trusted Partner

# MFC Container Solutions

MFC Concepts holds a stock of containers within its dedicated depot facilities in Jebel Ali Industrial Area, UAE. Depending on your intended use, MFC Concepts team will help you select a unit of the right quality and price. Our team is fully qualified to provide CSC inspection and validation and undertakes inspections, repairs, painting, certifications and the supply of spare parts.

# MFC Quality Policy

We are committed and dedicated to consistently provide efficient and competitively priced services at the highest levels of quality, and compliance through world-class leadership, continual improvement, employee development, recognition, and social responsibility.
